Parents and Students of Hillsboro High School,

During the Spring End of Course State tests, Hillsboro High School will now be testing in 2 hour blocks of time each morning for 8 school days. These dates are listed on the chart on the backside of this page. For these testing days, we will be operating on a "2 hour delay schedule" for any student who **IS NOT** scheduled to test on each given day. The buses will continue to run on the normal daily schedule, and school will be accessible at the regular morning times. Any high school student who comes to school and is not scheduled to test, will be supervised in a study hall by one of our teachers. For students who **ARE TESTING**, they will be provided with a list of the tests that they will be required to take, along with the date, time, and testing location for each of their tests. These letters will be provided to these students by April 11, 2018.

## **Students who ARE testing**

- Must report to school by 7:30
- Will report to assigned testing room
- Have regular busing time available
- Will be assigned schedule by 4/11
- Will be counted absent after 7:30

## **Students who ARE NOT testing**

- Must report to school by 9:30
- Will report to assigned study hall
- Have regular busing time available  
(\*if you choose not to ride, must find own transportation)
- Will have SH assigned each morning
- Will be counted absent after 9:30

We understand that this may be somewhat confusing this first time around, but we feel that allowing our students their best opportunity to achieve will be worth the short inconvenience. Please contact the high school office at 937-393-3485 if you have any questions or concerns.

Thanks for your time and support.

Joe Turner

Principal, Hillsboro High School
